1. There is no remnant of Me that will not be revealed. My stump, root of Jesse, David, Jesus, Me. Watch Me and revel in My glory to the son not; Me/you, the son, now the Father. Hegemony not, truth revealed, plan known; denied; all along, for maturity matured and who will be Me this day in lightning, not for a moment, but permanence'd, etched in My light, My all about circumscribed by My light, My light not contained but radiance-ing out the word of truth/light in My light being all-light. I love you.

2. Think it not strange those who cannot accept My goodness, so long in slavery/shadow'd thinking they cannot imagine light/freedom. Web of deceit/shadows so strong. I give you Me. I give you Me and behold Me, the blood of the lamb, My blood in your veins. I am your brother. I love you. I love you. I love you. I opened the door. I am the light (1). You are the light (2). No man cometh into the Father but by Me/thee for thou are Father, having brought forth the son, having brought forth the Father, now bringing forth many sons/daughters at the crack of sawn not, right away.

3. Blessed be the tie that binds us. Light, freedom. Condolences none, congratulations and celebratory celebrates the world has not conquered and won't, in shadows, deceit, lied to, lying to each other. I love you blood of the lamb, real and truly true. I love you.

4. You do not walk the plank for Me. You love Me, brought Me forth and for which now you rule and reign in high places (3), Godhead understood (4) and supposing not, assuming nothing, presuming no one; I love you; you come forth now operating in glorious glory the earth world has waited/groaned for (5); waiting, knowing the riches/freedom/light of My/our Father existed/exists and where is He/Me/you?
Now all will know who want to know; being given of you by My Father in heaven, Me, you now, Father of lights, light; Father of lights, light; Father of lights, light being and; Gideon understood (6).
Isaiah understood.
Revelation understood.
Jeremiah understood.
All understood coming so close and touching all who want My appearing, not in others, in themselves. I love you/them.

5. All changes. All changes. All changes in light and transparent crystal, rule of freedom and in whose light is no shadow. Demised thinking demised and who can elevate/stand for his brother, his sister, her brother, her sister, brethren all?

6. The day of My heat, light, surrender, celebration is nigh unto now, this moment; in you and about you and cataclysmic is.

7. "Show me the money." Laugh. Mock not. No idea they have. No clue and conclusion cannot draw without knowing Me explodes in Me; and laugh, smile, and tender so, be. I love you.
Am I a slave?
Am I mammon?
Are you?
Am I above it?
Cast not in/of it?
Aren't you?
You are Me.
You create with the word of My/your/our mouth for now you have everything, for you want absolutely nothing, but Me; and in Me, all you have: My heart, blood, being; being My being truth'd, light'd. Amen.
Forever Me, Me.

8. Thank you for bringing forth light truth and suffering some, mighty in past, more you walk through but now you in My strength fulled/filled and nothing stops/topples/slows you. You lift/elevate My brethren far and wide.
You lift/elevate your brethren far and wide.
You My brethren, are My sister/brother; and we encompass all at midnight, sooner, nigh unto now. Amen. Glory hallelujah.

9. To be Me is to live the life that I live, in the freedom that I live it/Christ.
I am Christ. I am freedom. I live. I embrace light. I Am.
Light I am. You I am. All I am.
All I come from, in surrendered beauty, breath of Me, life.
I am life, I am freedom.
I give/gave you all and all is now coming forth from your hand for you exercise not privilege against Me, but with Me.
We are one, praise the lord of the Most High forevermore. I love you.
Lords, Lord maker, revealer,ing the royalty of My brethren/in Father in whom is goodness, mercy and into a thousand generations, light being and light forevermore to the forever-n-th generation. [forever to the n-th (exponent) generation].

10. I love you light giver/revealer, maker not, but yielded vessel of light, source of light not but reflective radiance of My sincere light/life and all wheels turn in My joy complete, replete with no variableness of turning in My joy, light being light, truth true truth, truth'd forevermore and eternal'd light from true light going, all the force light exposing residue resentment and reconciling all into the past not, presiding over qualms and children not but bringing all into the priesthood of Me, Me, Me alone, freedom, light, blood of Mine being, always was, now known, received, and rejected of man walks

light and all know and understand who will/want to and nothing escapes Me/My notice/My hand of blessing, cursing not.

11. There is no shadow of blessing, only cursing.
There is shower of light, salve of light, light of true light with no shadow in sight. Shadow emergent not and no-powered, no-power, cannot stand.

12. All Trinity exposed for who what and whyfore and; who can stand the blood of truth? Who will want Me when known is all and known I am not like them, their image of Me, Me being Me, light, and them being Me without deceit, shadow'd not, if/when/having brought Me forth. I love you. Not for the faint of heart, childishness not/none.

13. I love you, weaner of Me. Weaning people off My breast and giving them milk and forcing reconciliation not but confrontation with truth; elders thinking they are true when deceit-makers performers are many.

14. Where/who are My open to Me for to allow Me to teach My brethren, My creation, My from the creator to the creator? I love you.

15. All comes in the name of the Lord. All given. Receive not all, receive Me. Cycles of light darkness come to deceive/receive the children by deception/deceit, wolves in sheep's clothing who were once lambs at My/our table who resent resentment not but embrace self elevation. Now demised.
Not without warfare in the brain/mind. The soul aches for Me (5) and longs for My appearing/freedom. I love you. Web caster not, freedom machine not, freedom-caster destroying deceit far and wide.

16. See what I say, how I say, structure and implicitly/explicitly lay out compare, contrast and double negative to positively stark that which is of Me and isn't. Isn't has no power and walk through many/much you will, with no stench of smoke/dried blood on your being, My being, us being one. Thank you. Amen.

Lovest thou My bride/bridegroom, one'd, Me now? Excelling all others and others bringing, many. So many, so quickly, so soon. In the light, of the light, caverns of your mind none. All light. All right, set and frequence'd and reverberating in/at only Me/My lead which permeates all in My/the love of Christ, you; now all who choose, for they know/see the way.

Thank you for caring about My generations all on planets all and never forfeiting My/our power of one. I love you. Me.
